writer evidently had in mind the ideal

was read by Prof. M. K. Hickey. The writer evidently had in mind the ideal teacher and not the real, as the piotors drawn certainly could not have its counterpart on this terrestrial ball.

Next followed a paper, "The Ideal Superintendent," by Mise McIntyre. The paper was short, but to the point. A few members of the association briefly discussed the above topics.

Next in order was the report of the committee on the place of the next meeting. The committee reported that Albuquerque had been selected. On motion of President Hewett action on the report was postponed until Friday morning.

"Our Rural Schools" was the subject of a carefully prepared paper read by Manuel C. de Baca, superintendent of public instruction of New Maxico. The paper was ilstened to with marked attention, and seemed to be appreciated by all.

W. A. Chapman followed with a very interesting paper on the same subject. He discussed many important points. The association then adjourned to visit the sametal at the invitation of interesting paper on the name subject. He discussed many important points.

SCHOOL TRUSTERS.

Most in Seguine Sussion and Order a Few Bille Paid. Last aight a regular meeting of the school board was held, at which were

present Trustees Sayder, Ksen, Bawden,

Dodd and Bankin. A few bills were presented and the following were ordered paid:

A. Schulk.....

The clerk of the district court notified

the board that the case of Karl Snydes

against the Board of Education has been appealed to the suprems court. The board decided to retain the services of No. B. Freld. On motion the president of the board

was authorized to make a contract for the conveyance of pupils to and from the University. A report of the superintendent showed

an enrollment of 973 pupils. The board passed a resolution authortring the placing of \$10,000 on time deposit, and \$5,000 additional funds as soon as available, as a central school fund. Trustee Hankin informed the members that the new building would be piaced on the lets owned by the board, at the corner of Third street and Lead avenue. It was learned that Architects Cristy, Hill and Johnson were at work making new plans for the structure. Bids will
